ALL-COUNTY LETTER NO. 76-28

TO: ALL COUNTY WELFARE DIRECTORS  
ALL COUNTY BOARDS OF SUPERVISORS

SUBJECT: 1975 AFDC CHARACTERISTICS STUDY

## REFERENCE:

The attached report presents selected data on certain social and economic characteristics of families receiving assistance from the Aid to Families with Dependent Children Program in California during May 1975. The information for the report is derived from county-wide data initially collected for a nationwide AFDC study conducted by the U. S. Department of Health, Education and Welfare in 1975.

The report provides an updated caseload profile of the make-up of the AFDC population and should be especially useful to those who are concerned with the planning and administration of the AFDC Program.

A limited number of additional copies of the report may be obtained upon request from the Publications Unit, Department of Benefit Payments, 744 P Street, Sacramento, California 95814.

Sincerely yours,

GARY G. ADAMS  
Deputy Director
